

MMZ

BIO

Marius Canchel, known by his stage name MAZ, is a DJ, producer, and music consultant with a passion for French rap and a love for the vibrant London nightlife. From a young age, MAZ was captivated by the sounds of Supreme NTM and MC Solaar, which sparked his musical journey.

Since embarking on his DJ career in 2021, MAZ has swiftly established himself as a regular fixture on the London and Paris scene. His music takes audiences on a journey through the rich tapestry of Hip-Hop culture, spanning from the 90s to the present day. Whether it's commercial hits or underground gems, MAZ's selection knows no boundaries, reflecting his belief that music transcends borders.

One thing you can always count on with MAZ is his ability to hype up the crowd. His energetic DJ sets are an eclectic fusion of Hip-Hop, Afrobeat, R&B, Future beat, and Amapiano, creating a distinctive atmosphere that connects people.

MAZ

SETUP

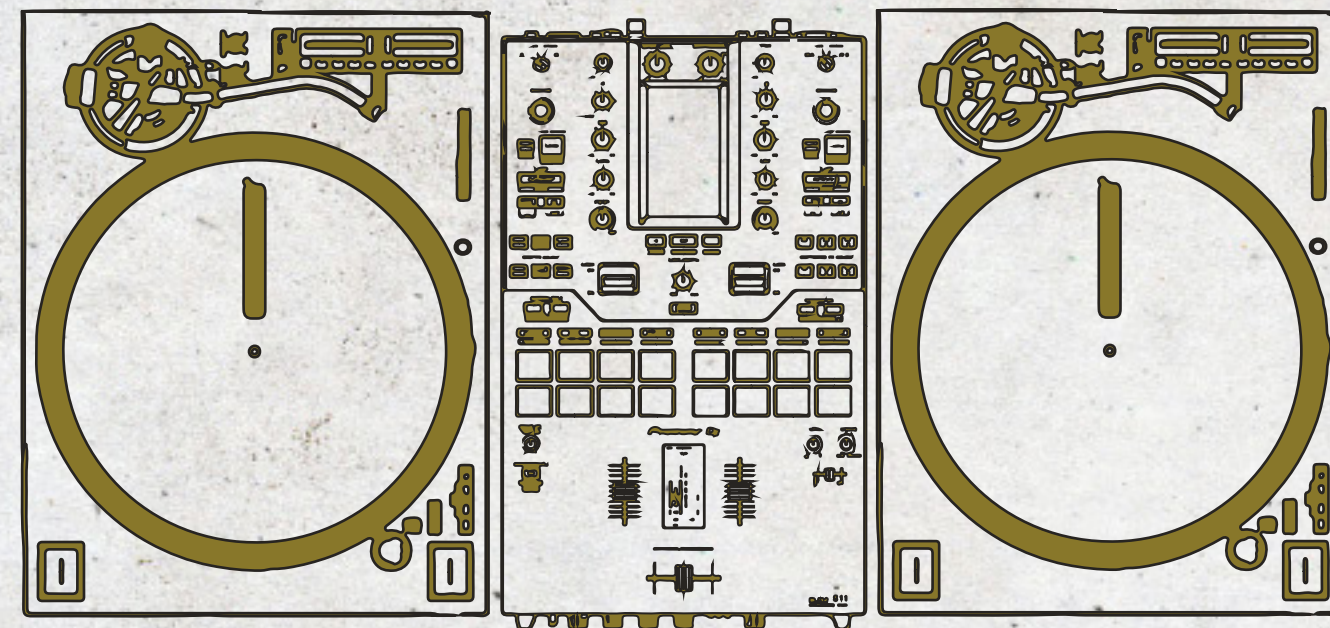

At the core of his setup, the Pioneer DJ S11 mixer and Reloop 7000 MK2 turntables blend digital precision with analog warmth, nodding to hip-hop's golden age.

The portable Pioneer DJ FLX 10 offers on-the-go control and innovation, concealing powerful capabilities in a compact design.

MAZ effortlessly shifts to the standard club setup with CDJs and a 4-channel mixer.

DJ Controller: DDJ-FLX10

DJ Mixer: DJM-S11 + Turntables: Reloop RP-7000 MK2
